

PPG's aerospace global capability

Who we are

At PPG, we offer a comprehensive range of innovative aerospace products and services for original equipment manufacturers and aftermarket customers in commercial, regional, military, and business aviation. We are committed to providing breakthrough technology and exceptional quality, availability, sales, and service. Our network of Application Support Centers (ASCs) is conveniently located to offer global capability from a regional base to expedite delivery of our products and bring technical resources closer to our customers.

Aerospace Transparencies

- Aircraft cockpit and cabin windows
- Canopies
- Dimmable windows and shades
- Landing light lenses
- Hydrophobic coatings
- UV and solar protection

Transparent Armor and Specialty Products

- Aerospace quality ballistic and blast-resistant transparencies
- Rail, marine and specialty windows
- Urethane interlayers

Aerospace Sealants

- PPG PRC® and PPG ProSeal™ high performance sealants
- Customized sealant solutions

Aerospace Packaging

- PPG Semco® Packaging & Application Systems
- Cartridges
- Nozzles
- Syringes
- Scrapers
- Mixing and dispensing equipment

Aerospace Coatings

- High performance primers, topcoats and specialty coatings
- PPG DeSoto®, PPG Deft® and Cuming Microwave products and technologies
- Hydrophobic coatings
- UV and solar protection

Surface Solutions

- High performance hexavalent chrome free RECC™, TCP and EAP pretreatments
- Corrosion inhibitors
- Adhesion promoters
- Solvent cleaners
- Paint strippers
- Farécla polishes and waxes

Chemical Management Services

- Chemical and fluid management, process management and logistics

Application Support Centers

- Local, right-size packaging and distribution network for PPG and third party products
